*May 21st, 2020 - this is a  
heavily cut version of  
goethe s poem which  
was never intended as a  
stage vehicle for non  
germans it is interesting  
to hear how german  
actors recite the text but  
anyone who tries to  
follow the recitation with  
the words must be agile  
in skipping dozens of  
lines at a time it can be  
described as better than
